

Nellie the Nurse

TUNE:
Turkey in the Straw

Did you ever know

Nellie,

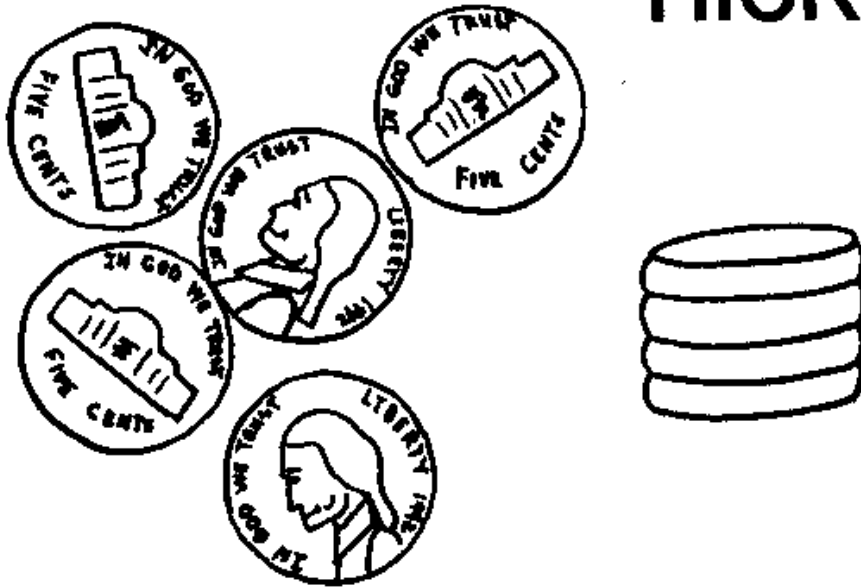

the nice neat nurse?

She has "N" things

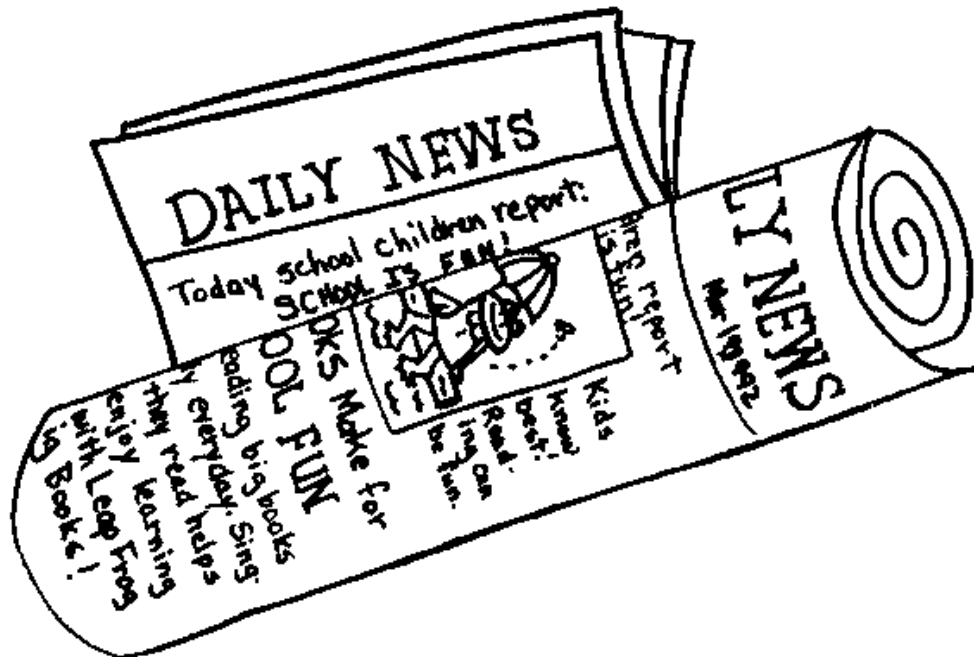

in her
naugahyde purse.

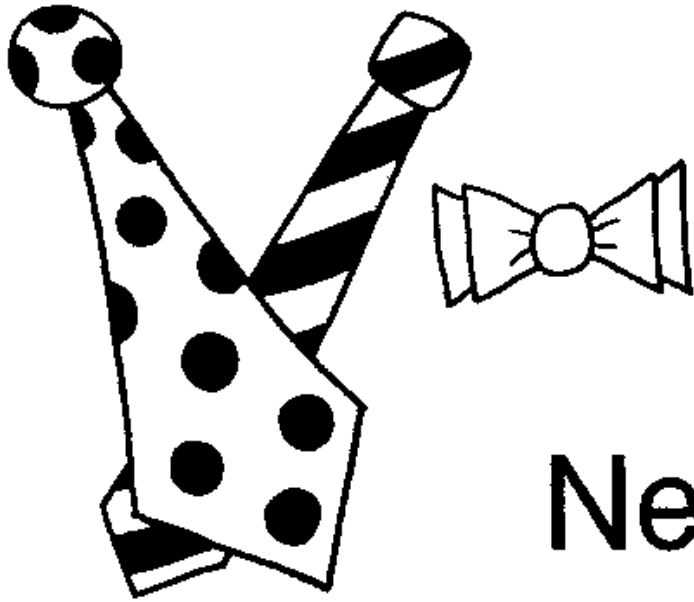

Like nine new
nickels

and

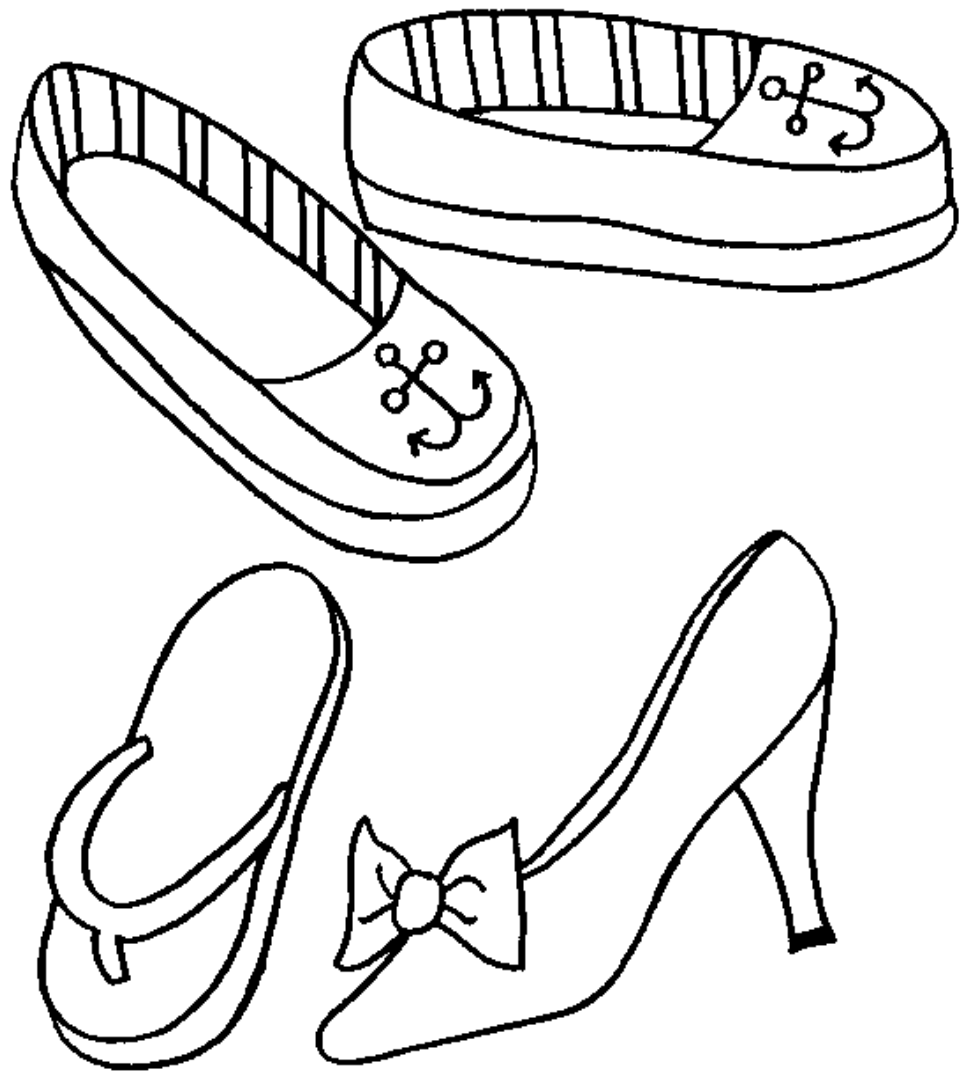

newspapers too ,

Neckties and night gowns

and
navy blue shoes.

If you're never
ever naughty,

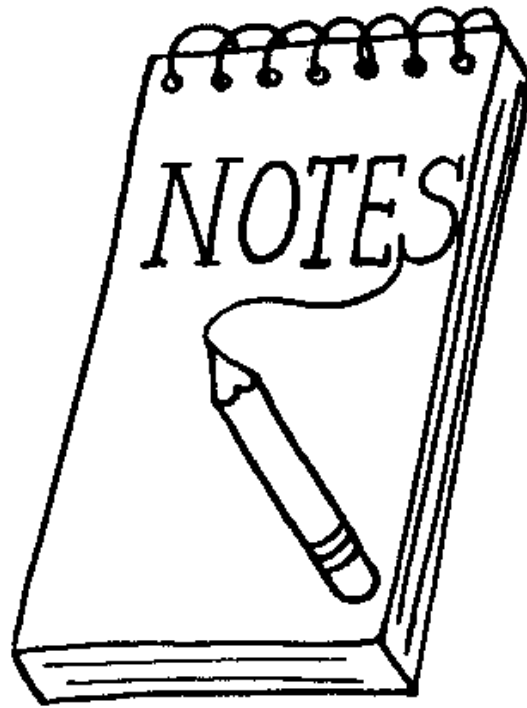

She will let you
peek inside,

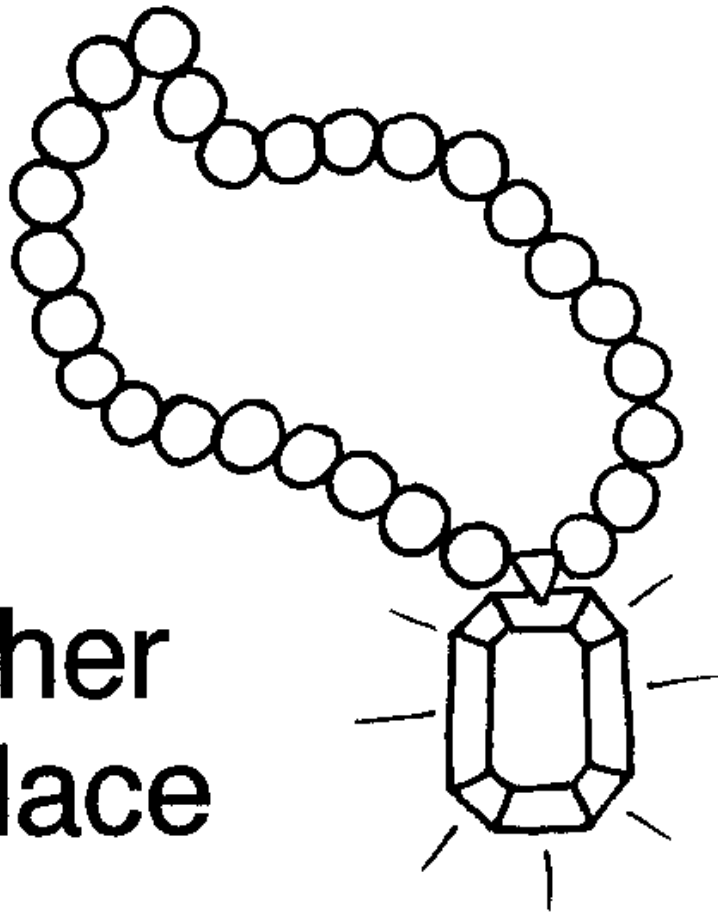

At her nifty nothings

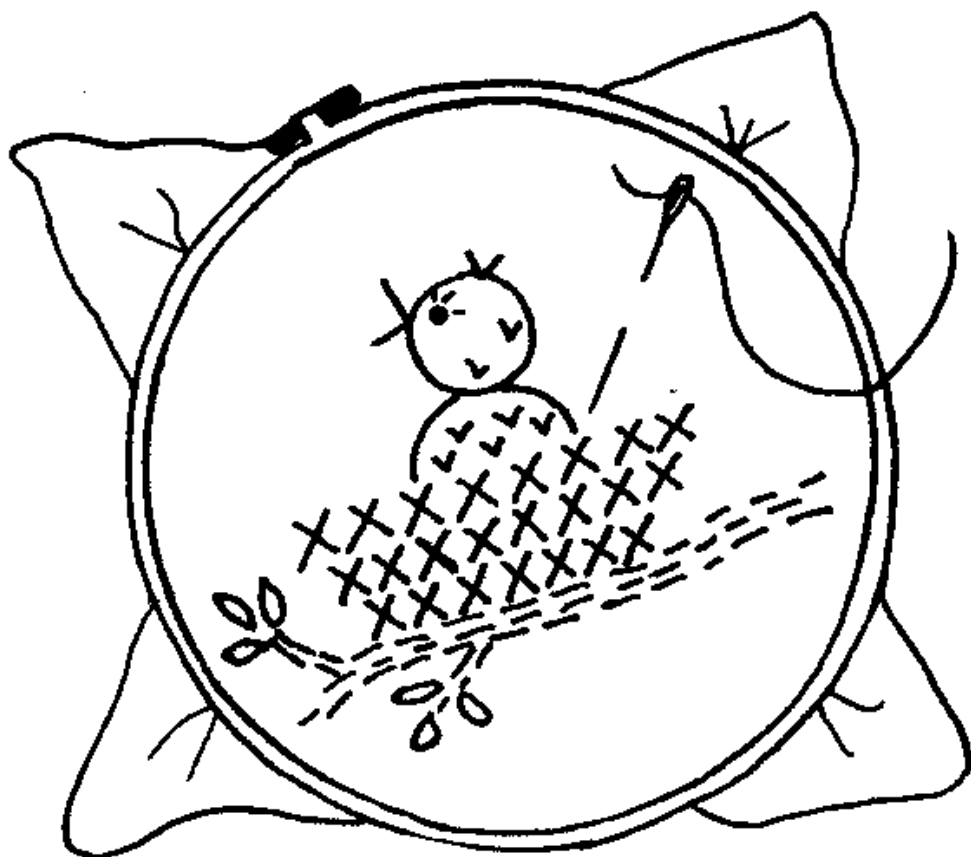

that she
just can't hide.

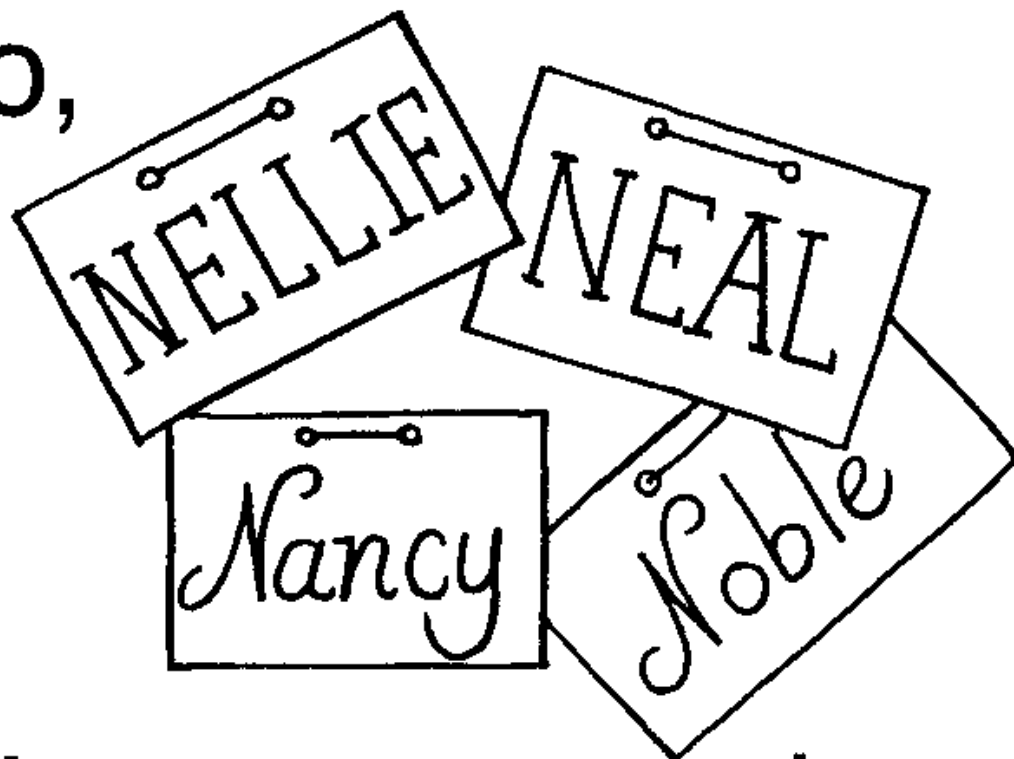

Like her notebook

and her
necklace

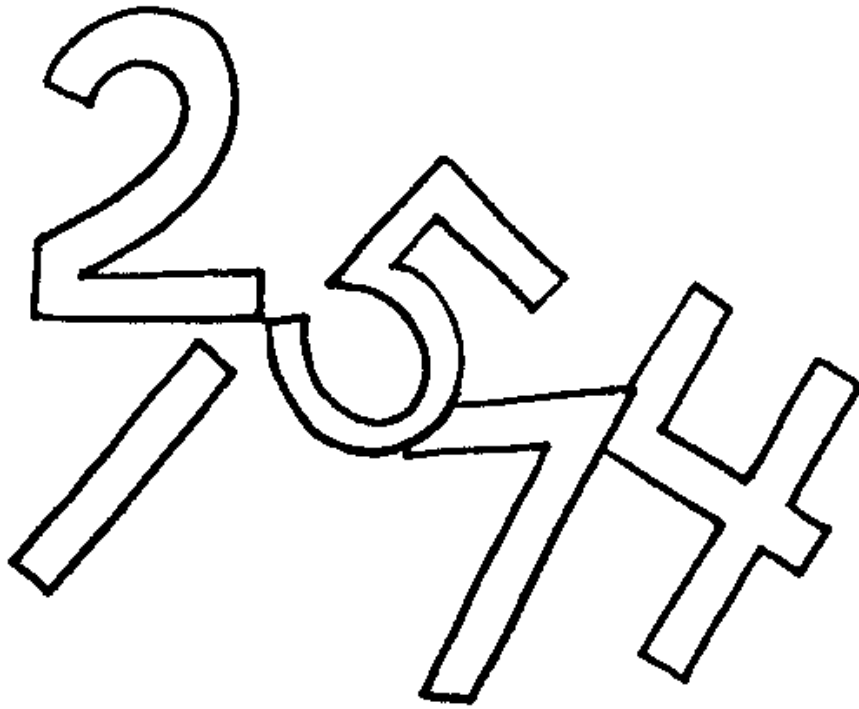

And her needlework
too,

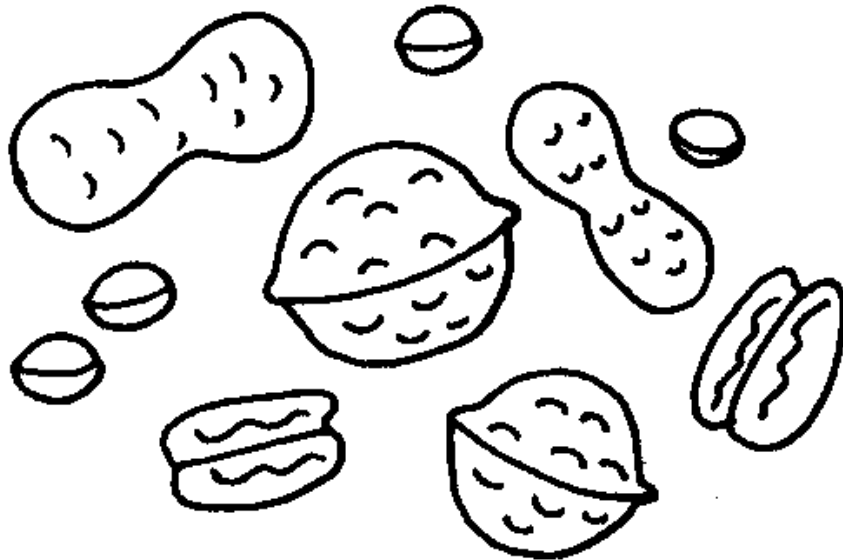

Name tags and

numbers

and

nuts to chew.
